

# Welcome to TechConnect Europe

Malmö, November 15-17, 2021

**We are happy and proud that the TechConnect Europe Innovation Conference & Expo will be held at Clarion Hotel Malmö Live on 15-17 November 2021.**

TechConnect Europe Innovation Conference & Expo is designed to connect top applied research and early-stage technologies from universities, labs and start-ups with industry and investment end-users and prospectors. The event cover three main tracks

- Advanced materials
- Biotech & Medical
- Energy & Sustainability

Join us for an exciting speaker programme and scientific tours around world-class materials and life science ecosystems ESS and MAX IV in the southernmost part of Sweden.

We invite you to submit your innovation for pitch and showcase consideration, and to be connected with participating industry scouts and investors.

Please visit TechConnect's [website](#) for more background information and to register yourself.

EEN partners and clients are granted a 25 % discount on the participation fee. Please ask your EEN representative for the discount code (Rim Stroeks, [rs@zenit.de](mailto:rs@zenit.de), +49 152525 94681).

The event is organised by TechConnect in partnership with Invest in Skåne, Event in Skåne, Malmö Stad, Innovation Skåne, Region Skåne, Business Sweden and Enterprise Europe Network.
